

CELL PHONE USAGE POLICY

Louis L. Manderino Library
California University of PA
California, PA

In order to avoid the disruption caused by cell phone use in the library, the library has adopted the following policy regarding cell phones:

- **Cell phone usage is permitted only on the library's first floor.**
- **Cell phones should be turned off (at least the ringer) on floors two through four.**

Please be considerate of your fellow students and turn off your cell phone (at least the ringer) when you are studying on floors two through four. If you have turned off the ringer, but still detect an incoming call, please move immediately to the first floor before responding to the call.

Thank you for your cooperation.
