

FOOD AND DRINK POLICY

Louis L. Manderino Library
California University of PA
California, PA

Small snacks, such as candy and chips, as well as drinks with covered lids, will now be permitted in most areas of Manderino Library except for the following: computer work stations, University Archives, and Special Collections.

Please be considerate of others when bringing in food and drink to the library. Avoid foods with strong aromas. Those consuming food and drink are expected to clean up after themselves.

The delivery of food to library patrons by outside vendors is not permitted.

The key to the success of this new policy will be the willingness of library users toward responsible eating. We have trash cans throughout the library to assist with this initiative. If you spill something, please report it immediately to the Circulation Desk so that we can arrange for cleaning it up.

Vending machines and tables are available on the second floor in room #224.

This policy is adapted from: Food/Drink Policy—Lock Haven University of PA,
